

**"...when a man is tired of London, he is tired of life, for there is
in London all that life can afford."**

Welcome to the 2008 Armchair Treasure Hunt. The theme this year is ... well I'll leave that to you work out for yourselves.

Somewhere in southern England I have buried some treasure. By answering the questions and solving some puzzles contained within these pages you may be able to work out where I have buried it and to claim a prize.

For those of you who may not have encountered ATH before, the aim is to solve and understand every question, picture, text, code and other clues. Some of these are more obvious than others.

There are prizes for being first to the treasure, presenting the best solution, the best solution by an ATH-virgin as well as a discretionary prize. This year I shall be awarding bonus points to anyone who finds the treasure on Christmas day.

Notices, updates, corrections, etc will be posted to the ATH website. For urgent matters, like telling me that you're the first to find the treasure or if you think it has been disturbed, I can be reached on 0788 4475385.

The closing date for entries is Monday 19th January 2009 at 23:59.

Finally, I'd like to wish you all good luck in your quest for the treasure.

Tim.
